FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

Before the
FEDERAL COMMUNICATIONS COMMISSION
Washington, D.C. 20554

In the Matter of)
)
Request of Limited Modification of)
LATA Boundaries to Provide ELCS)
Between the Redmon)
exchange and the Amarillo and)
Canyon exchanges.)

PETITION**I. INTRODUCTION**

Southwestern Bell Telephone Company (SWBT), pursuant to Section 3(25) of the Communications Act of 1934, as amended,¹ and in accordance with the guidelines established in the Commission's Memorandum Opinion and Order (MO&O) released July 15, 1997 in CC Docket 96-159,² hereby makes application for a limited modification of LATA boundaries to provide ELCS between the Redmon exchange and the Amarillo and Canyon exchanges.

II. SUPPORTING INFORMATION

As prescribed in paragraph 23 of the aforementioned Commission MO&O, SWBT provides the following information in support of its application:

1. Type of service: Flat-rate, non-optional Expanded Local Calling (ELC);
2. Direction of service: Two-way;

¹ The Communications Act of 1934, as amended, 47 U.S.C. et al.

² Memorandum Opinion and Order, Petitions for Limited Modification of LATA Boundaries to Provide Expanded Local Calling Service at Various Locations, CC Docket No. 96-159, released July 15, 1997. By way of this MO&O the Commission adopted a format for and criteria under which such petitions would be granted. The format and criteria are detailed in paragraphs 23 and 24.

3. Exchanges involved: Redmon in the Lubbock, TX. LATA, Amarillo in the Amarillo, TX. LATA and Canyon in the Amarillo, TX. LATA;
4. Name of carriers: Redmon of Mid-Plains Telephone Cooperative, Amarillo of Southwestern Bell Telephone and Canyon of Southwestern Bell Telephone;
5. State commission approval(s): See Attachment A;
6. Number of access lines or customers: Redmon has 186 access lines, Amarillo has 114,035 access lines and Canyon has 7,717 access lines;
7. Usage data: Usage data is not available to Southwestern Bell Telephone. SWBT does not currently carry traffic across LATA boundaries;
8. Poll results: Percentage of Redmon customers returning ballots who voted in favor of ELC to Amarillo: 90.22. Percentage of Redmon customers returning ballots who voted in favor of ELC to Canyon: 85.23. Where SWBT is the petitioning exchange, there is no proposed rate increase. Where SWBT is not the petitioning exchange, SWBT does not have information as to any proposed rate increase.
9. Community of interest statement: The Public Utility Commission of Texas includes a Community of Interest Finding in their Order(s). See Attachment A.
10. Map: See Attachment B; and,
11. Other pertinent information: None

III. PRIMA FACIE SHOWING

SWBT believes that it has made a prima facie case supporting grant of the proposed modification because the instant ELCS petition (1) has been approved by the state commission; (2) proposes only traditional local service (i.e., flat-rate, non-optional ELCS); (3) indicates that the state commission found a sufficient community of interest to warrant such service; (4) documents this community of interest through such evidence as poll results and descriptions of the communities involved; and, (5) involves a limited

number of customer or access lines. These requirements for a prima facie case are detailed in the aforementioned Commission MO&O paragraph 24.

IV. CONCLUSION

Wherefore, SWBT requests that the Commission approve its application for a limited modification of LATA boundaries to provide ELCS between the Redmon exchange and the Amarillo and Canyon exchanges.

Respectfully submitted,

SOUTHWESTERN BELL TELEPHONE COMPANY

PROJECT NO. 18105

PETITION FOR EXPANDED LOCAL § PUBLIC UTILITY COMMISSION
 CALLING SERVICE FROM THE §
 REDMON EXCHANGE TO THE § OF TEXAS
 EXCHANGES OF AMARILLO AND §
 CANYON §

INTERIM ORDER

Findings of Fact

1. On July 8, 1997 subscribers of the Redmon Exchange filed a petition for Expanded Local Calling Service (ELCS) requesting non-optional, two-way, flat rate calling to the exchanges of Amarillo and Canyon.
2. The processes for petitioning and balloting included notice that the service would be for a flat monthly fee of up to \$3.50 per residential line and \$7.00 per business line on a non-optional basis.
3. The Redmon Exchange is in the Lubbock Local Access and Transport Area (LATA) and is served by Mid-Plains Telephone Cooperative, Inc. (Mid-Plains). The petitioned exchanges of Amarillo and Canyon are in the Amarillo LATA and are served by Southwestern Bell Telephone (SWB).
4. An affirmative vote of 90.22 percent of Redmon Exchange subscribers responding to the ballot favored expanding the local calling scope to include the Amarillo Exchange, and 85.23 percent of those responding favored expanding the local calling scope to include the Canyon Exchange.
5. On July 15, 1997, the Federal Communications Commission (FCC) issued an order, In the Matter of Petitions for Limited Modification of LATA Boundaries to Provide Expanded Local Calling Service (ELCS) at Various Locations, CC Docket No. 96-159, FCC 97-244, (rel. July 15, 1997) (Memorandum Opinion and Order), providing a procedure for requesting a limited LATA boundary modification.
6. Utilizing vertical and horizontal (V&H) geographic coordinates of the central switching offices pursuant to 16 T.A.C. §23.49(c)(3)(B)(i), the central office of the petitioned exchange of Amarillo is 38.27 miles from the petitioning exchange central office, and the petitioned exchange of Canyon is 30.85 miles from the petitioning exchange central office.

7. In addition to satisfying the geographic requirement of the Texas Public Utility Commission rules that the central switching office for a petitioned exchange be within 50 miles of the petitioning exchange, a statement attesting to the existence of a community of interest between the petitioning and petitioned exchanges was filed on July 8, 1997 for the petitioned exchanges of Amarillo and Canyon.

8. The Amarillo Exchange provides major medical services, doctors, is a commercial center, has largest cattle auction in the Texas panhandle and internet services. The Canyon Exchange provides medical specialists, hospital, West Texas A&M University, largest research library in the panhandle of Texas, museum, internet access and entertainment.

9. Based on the statement referenced in Finding of Fact No. 8, there is a community of interest between the petitioning Redmon Exchange and the petitioned exchanges of Amarillo and Canyon.

Order

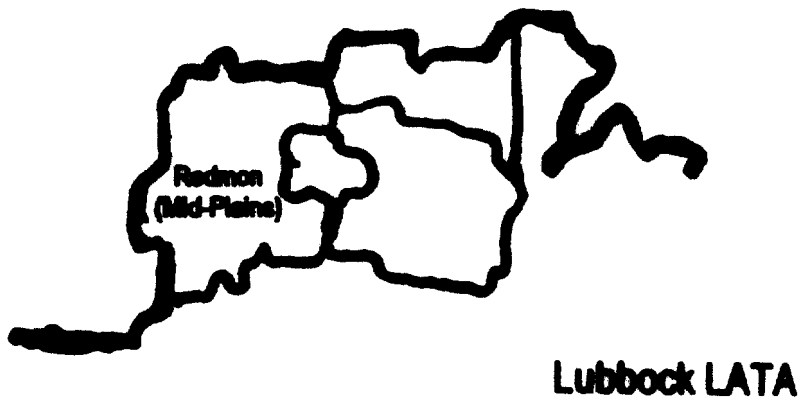

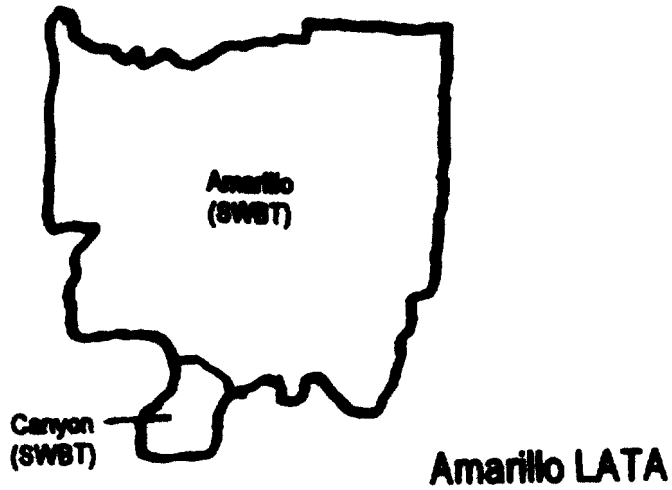

In accordance with the findings of fact, the Commission issues the following Interim Order:

1. Petitioners from the Redmon Exchange have shown a community of interest with the Amarillo and Canyon Exchanges.

3. SWB is **DIRECTED** to file a request for a limited modification of the LATA boundary in accordance with the procedures outlined in the FCC order, In the Matter of Petitions for Limited Modification of LATA Boundaries to Provide Expanded Local Calling Service (ELCS) at Various Locations, CC Docket No. 96-159, FCC 97-244, (rel. July 15, 1997) (Memorandum Opinion and Order), ¶¶ 23 & 24 by January 31, 1998.

4. Within ten (10) days of the receipt of an Order or Notice from the FCC relating to this petition, SWB is **DIRECTED** to file such Order or Notice in this project.

Redmon to Amarillo and Canyon

Certificate of Service

I, Mary Ann Morris, hereby certify that the foregoing , "Petition for LATA boundary waivers" has been filed this 24th day of February, 1998 to the Parties of Record.
